

North East Futures UTC Travel Support Scheme 2021-2022 Letter

Dear Parents/Carers and Students,

I am writing to inform you of the arrangements of our Travel Support Scheme. The scheme is designed to provide financial support for travel costs for those students who need it.

The travel support scheme is available as follows:

1. Evidence of reason for support will need to be provided;

- If your child currently receives Free School Meals then North East Futures UTC will usually be able to pay reasonable public transport travel cost, to and from school, for the academic year.
- If your child does not currently receive Free School Meals but the affordability of the travel cost are a serious financial challenge to the family then please complete the attached application form and return with a supporting letter with the reasons why you require financial support. These will be considered on a case-by-case basis.

2. We aim to support as many families as possible, with this in mind we may only be able to support with a % contribution.

3. When the amount is confirmed and approved, payment will be made in instalments, one in December and one in the summer term, this will be calculated around attendance %.

4. Please ensure research is done around travel to ensure you receive the best discount possible, e.g.

16-17 rail saver - <https://www.16-17saver.co.uk/>

All applications must be submitted by the 22nd October 2021
